SLIK MÅLER DU FOTEN

For å finne riktig størrelse på fottøy bør du måle foten i henhold til målepunktene i DAPROs størrelsesguide.

01 **Lengde (A)**: Mål lengden på foten.

02 **Bredde (B)**: Mål bredden på foten på det angitte punktet

Sammenlign målene dine med DAPROs tabeller for fottøy for å finne riktig størrelse og bredde.

HOW TO MEASURE YOUR FOOT

For the most accurate footwear size, measure your foot according to the measurement points shown in the DAPRO guide.

01 **Lengde (A)**: Measure the length of your foot

02 **Bredde (B)**: Measure the width of your foot at the indicated point.

Compare your measurements with the DAPRO footwear tables to identify the appropriate size and width.
